

Team Budget Policy - Representative

Objective:

To define the team budget, including fundraising and sponsorship for representative teams for the upcoming season, before NBMHA board approval is required.

Applicability:

This policy applies to NBMHA representative teams:

- AA teams: up to \$1,600 per player, excluding registration fees.
- A teams: up to \$1,300 per player, excluding registration fees.

Process:

Once coaching selections are finalized, teams must submit a detailed operating budget proposal on a **supplied** form to the NBMHA for approval. Once approved by the NBMHA, the proposed budget must be presented and given in writing to team parents within a week of the final team selection.

If a team would like to enhance their program beyond the maximum limits listed above, the Team Officials shall furnish a detailed summary of the proposed enhancement to the parents and seek the following approval:

- Parents approval: 2/3 parents for a specific team must agree to the additional expenditure vs. reducing fees. Refer for Section 8.9, C for voting procedures.
- Board approval: If 2/3 of parents agree, a request must be submitted to the board to approve the additional expenditure.

Notes:

- You cannot ask parents for money above the amounts listed above.
- Teams can leverage a team sponsor to raise funds for their program. Sponsor recognition will be provided on the website but will not be placed on game jerseys or apparel.
- NOHA Tournament of Champions cost is to be included on team budgets.
