

Coach Profile: Tim Hall – U16 AA North Bay Trappers (2026–2027 Season)

Head Coach: Tim Hall

Coach Hall brings a powerful blend of leadership, professional excellence, and high-level coaching experience to the U16 AA North Bay Trappers for the 2026–2027 season. In his role as a senior member of Allstate Canada’s National Property Claims Team, Tim is recognized for seeing the bigger picture, working strategically under pressure, and guiding teams to deliver consistently strong results — the same attributes he brings to his work behind the bench.

A lifelong athlete with a championship mindset, Tim’s coaching is grounded in a culture-driven philosophy that focuses on building both competitive hockey players and strong community leaders. His program is built on three foundational pillars, **Structure:** Establishing clear expectations and purposeful routines. **Accountability:** Empowering athletes to own their habits, effort, and growth. **Excellence:** Encouraging continuous improvement in all areas of development. For Coach Hall, success is not defined solely by wins; it is about equipping players with the tools and mindset necessary to thrive at the next level of hockey — and in life.

Tim’s proven track record at both the AAA and AA levels reflects his ability to develop high-performing, disciplined teams. His accomplishments include success at NOHA, Regional and International Silver Stick Championships. Coach Hall has also been a part of the coaching staff at NOHA’s Program of Excellence Summer Development Camps. These experiences have refined his ability to teach advanced systems, elevate hockey IQ, and mentor players through critical stages of their competitive pathway.

Coach Hall is committed to developing athletes who, compete with discipline, intention, and resilience, understand and execute systems, embrace adversity and uphold teamwork and respect. Every player in Tim’s program is challenged to be a better athlete, a better teammate and better person.

A key objective for the 2026–2027 season is preparing this U16 group to progress together as a **U18 AA team for the 2027–2028 season**. Tim’s program emphasizes long-term development, continuity, and readiness for the increased speed, strength, and demands of U18 competition. His coaching approach ensures that players grow not just individually, but as a cohesive unit capable of competing — and succeeding — at the higher age category. He looks forward to supporting his players during the upcoming season.
