

Hockey is Back!

Our intention is to keep you informed of our programs and make the sign-up process as simple as possible

We are excited to be planning for a normal return to 5 on 5 hockey, much like it was in 2019, pre Covid 19.

New this season, Hockey Canada has made some changes to the U11 Pathways. The biggest change is the introduction of the "Preparation Phase". Think of this as a hockey school and a great way to shake off the rust prior to the formal evaluations. The preparation phase will consist of 4 skill-based sessions. **These sessions are 100% optional.** Sessions are open to all players in U11 age category (both house and rep players). The cost of 4 sessions will be \$60 inclusive. Interested players must sign up through the process below

There is a 3-step process to sign up.

Step #1

You need to register with the association. This can be done following this link <https://www.nbmha.ca/registration/>
If your intent is to play House League, this is the only step you need to follow.

Step #2

If you are interested in signing up for the Prep Phase, please register through the following link. <https://go.teamsnap.com/forms/283786>

This is open to all players, 100% optional and has a cost of \$60 for the 4 skates.

Step #3

If you are interested in trying out for a Rep team (AA or A), you need to register for tryouts in advance through this link. <https://go.teamsnap.com/forms/266443>
The fee for tryouts is \$30. You are guaranteed a minimum of three skates.

If you are a player from a neighboring community looking to try out for an AA team, please follow the process below

Step #1

Obtain a permission to skate from your association and upload it during your registration and/or email it to nbminorhockey@outlook.com
In the email, please include the players name and the team they are trying out for.

Step #2

Sign up for the tryout through this link.
If you are successful in making the team, you can then register for the association through this link. <https://www.nbmha.ca/registration/>
