

Hockey is Back!

You are receiving this email as you've been previously registered with North Bay Minor Hockey. Our intention is to keep you informed of our programs and make the sign-up process as simple as possible

We are excited to be planning for a normal return to 5 on 5 hockey, much like it was in 2019, pre Covid 19.

There is a 2-step process to sign up.

Step #1

You need to register with the association. This can be done following this link

<https://www.nbmha.ca/registration/>

If your intent is to play House League, this is the only step you need to follow.

Step #2

If you are interested in trying out for a Rep team (AA or A), you need to register for tryouts in advance through this link. <https://go.teamsnap.com/forms/266443>

The fee for tryouts is \$30. You are guaranteed a minimum of two skates.

*****If you are a player from a neighboring community looking to try out for an AA team, please follow the process below*****

Step #1

Obtain a permission to skate from your association and upload it with your registration and/or email it to nbminorhockey@outlook.com

In the email, please include the players name and the team they are trying out for.

Step #2

Sign up for the tryout through this link. <https://go.teamsnap.com/forms/266443>

If you are successful in making the team, you can then register for the association through this link <https://www.nbmha.ca/registration/>
