

Uniform Modernization & Ordering

Objective:

To modernize NBMHA standard uniform to a more economical version that can be easily produced in a timely manner and provide a balance, organized process for ordering uniforms.

Applicability:

This policy applies to NBMHA representative teams, including U9 Tier 1.

Process:

U9 Tier 1:

Jerseys shall be supplied by NBMHA and will be returned at the end of the season. If parents wish to buy the jerseys at the end of the season, they may do so at a cost of \$100.00 for both jerseys. Single jersey sales will not be permitted.

Should parents not return the jersey at the end of the season, the player will not be permitted to play until the jerseys are returned or the buyout option is exercised.

Name bars will not be permitted on U9 Tier 1 jerseys.

U9 Tier 1 shall not use customized shells, straight navy-blue pants or shells shall be used.

Representative (U10 AA– U18AA):

NBMHA will permit representative AA teams to move to the new modernized uniform if 75% of parents are in favor. Should this be brought forward to parents by the Team Officials, the Manager shall initiate a confidential vote through the Convener.

Once an age group has moved to the new modernized uniform (jerseys and shells), the same group moving forward shall not be permitted to revert to the original uniform.

Example: U13AA moves to the new modernized uniform, the following year the U14AA team will be required to continue with the new modernized uniform.

Representative (U11A– U18A):

NBMHA will permit representative A teams to move to the new modernized uniform if 100% of parents are in favor. Should this be brought forward to parents by the Team Officials, the Manager shall initiate a confidential vote through the Convener.

Once an age group has moved to the new modernized uniform (jerseys and shells), the same group moving forward shall not be permitted to revert to the original uniform.

Example: U11A moves to the new modernized uniform, the following year the U13A team will be required to continue with the new modernized uniform

Overall change:

By the 2025-26 season, all teams will be required to wear the modernized uniforms (jerseys, pants/shells, socks)

Ordering:

All team orders shall be coordinated through the team Equipment Manager. The team's order shall be placed on the NBMHA approved form and submitted to the approved NBMHA uniform supplier. The supplier may change from year to year; as such the Equipment Manager shall obtain the supplier information from the Convener.

Implementation:

Immediately
